One observer from each of the two recognized political parties whose candidate for governor or president received the greatest number of votes in the municipality at the most recent general election may accompany the deputies to each home or facility where absentee voting will take place under this section. The observers may observe the process of absentee ballot distribution in the common areas of the home or facility. Each party wishing to have an observer present shall submit the name of the observer to the clerk or board of election commissioners no later than the close of business on the last business day prior to the visit. Wisconsin State Statue S. 6.875(7)

**Observers should contact the Election Commission regarding site-specific special COVID-19 policies and procedures as soon as possible, as some sites require advance COVID-19 testing.**
